

## **ROBELE AYELE**

### **Bio**

#### **Whatchooneed You Name It**

Robel is 15 years old in the 9th grade. Robel is from Ethiopia and has been in the United States for 7 years now. He had to learn to speak English when he arrived. Robel loves having money in his pocket that enables him to buy the things that he wants. So he creates different opportunities based on the needs in his community such as cutting grass, cutting hedges, taking out the trash. His neighbors know him and they don't hesitate to ask Robel to come and help them with odd jobs. Robel is also very savvy on the computer. His other side hustle includes communicating with people on the dark web to purchase and selling items unavailable to the average person.
